# Refrigerator for Skewers

Inspiring good moments since 1953

# About us

Tomasi is the company that invented the rotisserie grill. Since then we've been designing new products and accessories to help you prepare and serve the traditional Brazilian churrasco.

# Tomasi Refrigerator for Skewers

This equipment was made to facilitate the daily operation of the steakhouse. With an efficient cooling system, the air flows all around the refrigerator, keeping the meat in the skewer in the perfect temperature.
